The Digital

G. P. H. S. Bulletin and *Georgia Post Roads*

The digital versions of the ***G. P. H. S. Bulletin*** and ***Georgia Post Road***s can be searched using the “search” feature of Adobe Acrobat. This can be found as follows. Select a document and open it. One the left side of the top menu click “Edit.” A drop down menu will appear. Near the bottom of the menu click “Find.” A small box will appear at the top. Enter the text or phrase you want to search for and click enter. The results will appear.

Note: Sometimes the search feature will not produce a result. In most cases this is due to the quality of the print of the original. However, in most cases the search feature will work fine. If you have trouble try different variations of the word or phrase. For example, enter only part of a word or phrase.
